FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 2285 - SB 2285

March 31, 2009

SUMMARY OF BILL: Decreases, from 30 days to 15 days, the amount of time a TennCare enrollee or applicant has to notify the Bureau of TennCare of any material changes in the information submitted with application for coverage. Requires the Commissioner of Health to consult with TennCare before requesting early completion of all or part of the joint annual report on hospital statistics or special reports.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- According to the Bureau of TennCare, reducing the time frame for enrollees to notify the Bureau of changes to application information will not change the current procedures.
- Any cost incurred for the Department of Health to consult with TennCare will not be significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.
